Your local parish magazine offers economical advertising

Every month, **CROSS+LINK** is read in over 600 homes in Bridgnorth.

Advertising in **CROSS+LINK** enables you to promote yourself to the local community, and be seen to be supporting the parish churches of Bridgnorth.

CROSS+LINK is produced and distributed entirely by volunteers, which is why our advertising rates provide such value for money.

Deadline for bookings is the 15th of each month. Finished artwork accepted in jpeg, tif or pdf, or typeset free from a doc file. CROSS+LINK is currently printed in monochrome, with a colour version emailed as a pdf to an increasing list, including local news media.
